From here, you should complete the list on the right hand side, especially tweaking your notifications so that you are not overwhelmed! I suggest removing all emoji/reaction/cheers and receiving a weekly digest by email to simplify your life and the number of items that will populate as a number on your Mighty Networks > Umbrella Skye Homeschool app.

To sign back in on a lap/desk top, go to [www.umbrellaskye.com](http://www.umbrellaskye.com)

To invite homeschool friends, use [www.umbrellaskye.com](http://www.umbrellaskye.com) or the invite link within your Umbrella Skye membership. 2 invites sent = bronze! 😊

To private chat, select the chat bubble in the upper right corner and search for Private Chat. This message will go only to your Umbrella Skye team of coaches and mentors.

For Faithful Scholar specific questions such as lost credentials, deadline dates, SC laws, etc, use the Faithful Scholars Association Q's space.

All other spaces are for general (non-state specific) questions.
